

REMARKS

This Amendment is submitted simultaneously with filing of the above identified application.

With the present application applicant has supplied a translation of the original specification and claims.

With the present Amendment applicants amended the specification in formal aspects to bring it in compliance with the requirements of the U.S. Patent Practice.

The original claims have been canceled and replaced with a new set of claims including claim 21-34 which represent apparatus claims, and claim 35-40 which represent product claims.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance,

then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-243-3818).

Respectfully submitted,

Ilya Zolotovskiy
